

JAPANESE VEHICLE COVERAGE LIST

NISSAN VERSION 3.24 2006

Applicable Regions: Worldwide (Uniform protocol)

VEHICLE COVERAGE:

Electronic Control Systems – We are unable to list in absolute detail an all Nissan vehicle coverage data sheet due to the inherent communication characteristics of the Nissan control systems.

Listed below are the model names and supported systems that the worldwide distributors of Hanatech and we at Mount AutoEquip have successfully tested. Therefore the information listed below does not mean that the scanner applications are limited only to these listings, but must be regarded as representative of a few examples of the most popular Nissan vehicles.
